2<sup>nd</sup> WORKSHOP ON  
INTELLECTUAL PROPERTY RIGHTS  
5<sup>TH</sup> JULY, 2017

## ABOUT THE IPR WORKSHOP

Intellectual Property Rights (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. Creativity and innovation are new drivers of the world economy. With the increasing relevance of Intellectual Property (IP) in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, ITM University Gwalior is organizing a one day Workshop on Intellectual Property Rights at University Campus. The Workshop is intended to cover various aspects of IPR like Patents, Copyrights, Trademarks, etc. The technical sessions will be led by the speakers having thorough knowledge in the subject who have been practicing in the field for many years. The expected participants of the program include Scientists, Research Scholars, Small & Medium Enterprise (SME) and Grass Root Innovators.

## OBJECTIVE

As a punch line of ITM University "Celebrating Dreams" in Engineering, it is the key to protect innovations using available Intellectual Property Rights (IPR) in order to benefit the society and minimizing the risk of valuable ideas remain on the shelf. The current global economic crisis is also focusing on renewed attention on the urgent need to incentivize and protect innovation to both solve the world's most challenging problems and to generate jobs and economic growth. The power to evolve innovations and thinking in an innovative manner in an organizations can be increased by means of creating Intellectual Property (IP) awareness amongst its employees and students, who are directly or indirectly involved in the process of innovation. The one day IP awareness workshop aims at establishing a basic level of IP awareness amongst the workshop participants, such that the chances of obtaining well-protected innovation (Patents) for their organizations are increased. This workshop would focus on

- Importance and scope of IPR in Academic Researches.
- Types of innovations patentable & how to test your patentability of your innovations.

## ABOUT GWALIOR

Gwalior is a historical city in the heart of India, situated in the state of Madhya Pradesh. The Ancient Indian Classical School of Music “Dhrupad” was fine-tuned here and spread to various parts of India to acquire local flavours. Known as “The City of Music”, the legendary musician Tansen also belonged to Gwalior and became one of the nine Jewells of Emperor Akbar’s court. Tansen innovated many complex & beautiful ‘Ragas’.

The city has perhaps the richest musical tradition among all the cities in this great country starting from Tansen, Baijubabra, Hassukhan, Haddukhan, Krishnarao Pandit, Bala Saheb Puchhwale, Chote Bhayya Puchhwale, Bande Ali Khan, and Shankar Rao Pandit and to come to the living legends Malini Rajurkar, Ustad Amjad Ali Khan, the list is endless.

Gwalior has beautiful large Fort Palace built during Tomar dynasty who was connoisseurs of Art & Music. Exquisite stone works can still be found here inspite of immoral plundering by vested interests. Agra is 110 kms from Gwalior and 1½ hours journey by express trains and is easily reachable to Tajmahal. Khajuraho group of temples depicting all facets of life is 4 hours journey by road. Mitawali & Padavali has a group of 108 ruined of temples and is 20 kms from Gwalior. Orchha is 100 kms from Gwalior and is a treat for weekend trips as the village still carries old time feel with palaces, temples, cenotaphs and ruins along the banks of Betwa River.

Modern Gwalior is new educational hub and a bustling city with a population of over 1.6 million. It is centrally located 317 kms from Delhi and 400 kms from Bhopal. It is well connected with Delhi, Bhopal, Indore, Mumbai, Pune, Chennai, Bangalore and Hyderabad by trains, road and by air from New Delhi and Jabalpur.
